PROFESSIONAL SUMMARY

Aspiring full-stack developer with hands-on experience building responsive web apps using the MERN stack. Proficient in Java, Data Structures & Algorithms, and object-oriented programming, with a solid grasp of scalable backend systems and polished frontend design. Comfortable in collaborative environments and focused on continuous improvement. Passionate about applying growing technical skills to impactful projects and contributing to innovative engineering teams.

EDUCATION

- Pursuing B-Tech |JECRC University, Jaipur, Rajasthan |CGPA: 7.9 — 2022 – 2026
- Secondary Education **|**Presidency the International School, Bhiwadi, Rajasthan **|** 73% — 2020
- Senior Secondary Education **|**Presidency the International School, Bhiwadi, Rajasthan **|** 80% — 2022

TECHNICAL SKILLS

- Programming Languages: Java, JavaScript, HTML, CSS
- Web Technologies & Frameworks: React.js, Node.js, Express.js, Redux.js, Next.js
- Database & Tools: SQL, MongoDB, Git, GitHub, Render, Versal
- Core CS Skills: Data Structures and Algorithms, Object-Oriented Programming
- Soft Skills: Team Collaboration, Problem-Solving, Analytical Thinking, Communication

PROJECT EXPERIENCE

- E-Commerce Website | Full-Stack Development Project — November 2024
  - Designed and built a scalable e-commerce platform using MERN stack (MongoDB, Express.js, React.js, Node.js)
  - Created secure user one time OTP authentication system using Node mailer.
  - Integrated dynamic product listing, cart functionality, and admin panel for product management

- AI Assistant | Full-Stack Development Project — August 2025
  - Engineered a voice-powered AI assistant with user-based authentication and personalized history tracking.
  - Integrated Ollama as the core AI engine to handle natural language tasks like opening web site's, executing custom commands, playing music, generating code, and more
  - Built a responsive AI assistant with React.js frontend, JWT-secured Express.js backend, and streaming command execution via Ollama

CERTIFICATIONS

- Web Development Bootcamp – Certified by Let's Upgrade — 2024
- Participant certification Code-A-Thon Coding Competition – JECRC University Jaipur — 2025

ACHIEVEMENTS

- Athletics:
  - Gold Medalist in District Athletics – 100m Sprint and 400m Relay — 2019
- Leadership:
  - Commanded school's March-Past team, winning 4 inter-school competitions — 2017 – 2019
